

A Calan DVS Social Enterprise

Bright Options is a social enterprise delivering high-quality training, education, and consultancy rooted in the Calan DVS framework. Our team can support you with:

- Training (accredited and non-accredited)
- Workforce development and professional education
- Specialist consultancy and organisational support
- Tailored training packages to meet service needs
- Supporting survivors with employability skills

Our approach is practical, reflective, and grounded in real-world experience, supporting meaningful and sustainable change.

As a social enterprise, our work is values-driven and impact-focused. We combine professional expertise with a commitment to trauma informed person-centered practice, accessibility, and long-term improvement in services and outcomes.
